THE HON'BLE SRI JUSTICE C.V.RAMULU

W.P.No.29149 of 1998

ORAL ORDER:

This writ petition is filed being aggrieved by the order passed by the first respondent in S.A.No.5 of 1996 dated 2.5.1998 and consequently to quash and set aside the order passed by the second respondent in S.E.No.100 of 1992 dated 18.10.1995.

It appears, when the services of the third respondent (since died) were terminated, he filed appeal before the first appellate authority-second respondent and the first appellate authority found that dismissal of employee was illegal and since the third respondent died during the pendency of appeal, directed the management to pay wages from the date of removal of third respondent till the date of his death. Aggrieved by the same, petitioners-management carried the matter in appeal before the second appellate authority-first respondent by way of S.A.No.5 of 1996. The second appellate authority by order dated 2.5.1998 confirmed the order passed by the first appellate authority. Aggrieved by the same, the present writ petition is filed.

Though number of grounds were raised in the writ petition, there is no necessity of going into all those things in view of the fact that the writ petition was dismissed for default vide order dated 4.4.2003 against the respondents 4 and 5 who are the legal heirs of third respondent (since died). Therefore, adjudicating further in the matter may not have any fruitful results.

In view of the same, the writ petition is liable to be dismissed and accordingly dismissed. No order as to costs.
